REMARKS

Applicant respectfully requests entry of the above amendments prior to examination of the application. Claims 56-74 are pending in this application.

Claims 56-57 are modified versions of original claims 3-4, as they were pending in parent application.

Claims 58-62 are modified versions of original claims 22-26, as they were pending in parent application.

Claim 63 is a modified version of original claims 32, as it was pending in parent application.

Claims 64-67 are modified versions of original claims 27-30, as they were pending in parent application.

Claim 68-70 are modified versions of original claims 33-35, as they were pending in parent application.

Claim 71-74 are modified versions of original claims 38-41, as they were pending in parent application.

Section 131 Declaration

A Declaration under 37 C.F.R. §1.131 is submitted herewith to remove the Hidary et al. patent as prior art. This patent was cited in the parent application.
